

CHRIST CHURCH NYC BIBLE READING PLAN 2021

If we are to grow in our knowledge and love of the Father, Son, and Holy Spirit, there is no substitute for reading, studying, memorizing, and meditating on God's Word. Hebrews 4:12 teaches us that the Word of God is living and active. Therefore, we want to encourage each other to dig into God's Word every day. An annual Bible reading plan is a great tool for doing just that.

This specific Bible reading plan lasts one year and is divided into morning and evening readings. Each morning reading includes a reading from a Psalm and from the Old Testament. Each evening reading includes a reading from a Psalm and the New Testament. Over the span of the year, those who follow the plan will read the New Testament and each of the Psalms three times, and half of the Old Testament. (The other half of the Old Testament will be read in next year's plan.) Sundays are left free for deeper reflection and to catch up on any passages you missed throughout the week.

While this plan has identified readings for the evening and morning, the readings of course can be read all in one sitting or at a time that works best for you. If you choose to use the morning/evening structure, you might also consider doing your Bible readings within the context of **Morning and Evening Prayer**. You can find an order for daily Morning and Evening Prayer on the church website or by emailing devotional@christchurchnyc.com. If you're unsure about whether to use the morning/evening structure – as a word of encouragement, doing so can be a really helpful tool to shape the whole of your day in a God-centered way.

As we seek to pursue more frequent and purposeful reading as a church, here are a few additional thoughts:

1. There is no "right" reading plan. Everyone is different. If the structure of this plan doesn't work for you, find another that does. If you already have a plan that works for you, stick with that one.
2. Read, study, memorize, and meditate. Not one or the other, but all of the above.
3. Reading is not the goal. Beware of the tendency to make reading the end as if you have done your daily duty when you rise from your chair. Seeing, knowing, loving, and obeying Christ is the goal of all study.
4. If you fall behind, just keep running. Don't give up or give in to condemnation.
5. It will take work and discipline. Think strategically. Be intentional.

May we as the people of Christ Church NYC be a people who keep, store, declare, delight in, meditate on, remember, long for, set ourselves upon, cling to, observe, trust in, seek after, love, turn to, believe in, hope in, consider, rejoice in, incline to, and pant for the gift of God's word to us that is the Scriptures (Psalm 119).
